Dear Mrs. Steigerwald,

The Rady Children's Hospital Foundation Event/Project Committee has met and reviewed the Kidz USA event proposals for 2011. I am pleased to inform you that the Kidz USA proposal has been approved and we are honored that your events will once again benefit Rady Children's Hospital-San Diego. Since 2002 Kidz USA has collected over 10,500 toys that have touched the lives of our patients. Mrs. Steigerwald, your tireless leadership has been invaluable in pursuing the goals of Kidz USA and helping the San Diego community.

It is our understanding the 2011 Kidz USA functions will take place in the spring at the Francis Parker School, the summer at the UCSD Knock Around Camps, and in the winter at the Gillespie School. These events will consist of collecting new toys that will be distributed to patients at Rady Children's Hospital.

On behalf of the trustees, physicians, staff and families we serve, we extend our most sincere thanks for choosing Rady Children's Hospital as your charity.

Sincerely,

A handwritten signature in black ink, appearing to read "Carol Damon-Scherer".
